PLEASE READ CAREFULLY

To those not acquainted with our establishment we would say that our nursery was established over fifty years ago (1864), incorporated in 1890 under the laws of the State of Ohio. We handle a complete assortment of Fruit and Ornamental Trees, Shrubs, Vines, Roses, etc. We have large and well equipped storage cellars and packing houses, giving us unsurpassed facilities for the prompt filling of orders.

SHIPPING FACILITIES.—We are located on the Big Four Railway, running East and West. The B. & O. Ry. passes within a mile of our place which gives us an outlet North and South. Also the Dayton and Troy Traction and the Springfield, Troy and Piqua Traction pass through our city giving us hourly service between Piqua, Dayton and Springfield, and to those who are located on an electric line, with freight service, we can ship by freight over these lines, transferring at Dayton, Piqua and Springfield. The D. & T. has through service to Toledo, Ohio.

EXPRESS COMPANIES.—The American Railway Express gives us excellent service.

If any nursery stock, etc., proves untrue to description under which it is sold, seller shall be liable to the purchaser only and to no greater extent or amount than the purchase price of such nursery stock, etc., and the seller except for the aforesaid agreed liability and in respect to such purchased nursery stock, etc., gives no warranty express or implied as to description, quality, productiveness or any other matter.

TERMS OF SALE

PRICES.—Prices given herein are for Fall, 1919, and supersede all previous lists and are subject to change without further notice. The articles in this list will be furnished 5 at 10 rates; 50 at 100 rates; 500 at 1000 rates. In no case will long lists or selected varieties be supplied less than 5. of a kind of either fruit or ornamental trees or plants, etc., at lowest rates. We will not book orders made up entirely of scarce varieties.

CAUTION.—We accept all orders on condition that they shall be void should injury befall stock from frost, fire, hailstorms or other causes over which we have no control.

GRADES.—We grade carefully to a uniform standard. When both are specified, caliper measure governs, but we are careful to see that stock is uniform throughout. Our rule is "When in doubt, put in the lower grade."

CLAIMS.—All claims for errors and deductions must be made within six days after receipt of goods.

PACKING.—Prices contained herein are net, boxing and baling additional, for which we make charges to cover only the actual cost. Boxing and packing charged as follows:

30x30x10 feet.....	\$5.00 each
24x24x10 feet.....	4.00 each
20x20x10 feet.....	3.50 each
16x16x8 feet.....	3.00 each
12x12x8 feet.....	2.00 each
14 ft. boxes, 50c extra.	

TERMS.—The usual terms to those of established credit. Cash or satisfactory reference required of unknown parties, before shipment of goods.

SHIPPING.—When ordering, please state how you wish goods shipped, whether by freight or express, also route. When no instructions are given we forward to the best of our judgment, but in no case will we assume responsibility after shipment is delivered in good order to the carriers.

Notice.—We have always tried to make ourselves clear in our printed terms that our goods are sold F. O. B. cars at the point of shipment and are at the purchaser's risk while in transit. Therefore on account of the unsettled conditions at present we wish to call still further emphasis to the fact that we do not guarantee safe delivery.

The ownership of all goods by us passes to the purchaser on delivery by us to the carrier and the issuing of a receipt by the carrier ends our responsibility. Any claims for damage should be made promptly to the agent at the point of delivery.

GUARANTEE.—Great care is exercised to have all trees, etc., true to name and we hold ourselves ready, upon proper proof, to replace all trees, etc., that may prove untrue to name, or refund the amount paid. But it is understood between the purchaser and ourselves that this guarantee shall in no case make us liable for a sum greater than the original price paid for the trees, etc., which prove untrue to name.

REFERENCES.—For those who do not know us we refer to any bank or business house in Troy, the Commercial Agencies and the leading nurserymen of the United States.

POTTED EVERGREENS

Our potted evergreens are grown from cuttings, transplanted to 2½-inch pots and placed outside about December 1st to harden up ready for shipment in the spring.

These plants are shipped with pot ball attached, each wrapped separately in paper and will give you a pot full of roots besides the plants. No loss in transplanting this kind. Try them.
